

GROOMING EQUIPMENT FUNDRAISER

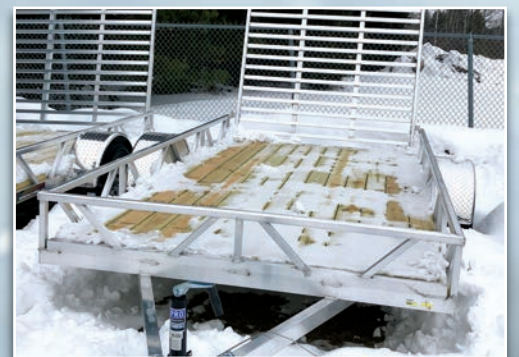

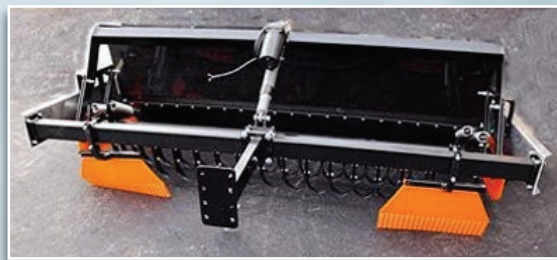

The North End Ski Trails are renown for regular, conscientious grooming. The club has been grooming trails for over 15 years and some of our equipment is showing its age – as are our groomers (😊). It might surprise you to learn that the average age of our corps of 10 volunteer groomers is 66!

The North End Ski Club is committed to continuing to provide the highest quality grooming while at the same time ensuring that our grooming crew has the tools and equipment they need to comfortably continue doing their job.

In 2020 the North End Ski Club will undertake a major fundraising initiative to purchase an array of newer equipment and make modifications to our grooming storage facilities.

Our goal is \$41,500. Here's what that will purchase:

- 👉 John Deere Gator XU835R with tracks - \$35,000
- 👉 Yellowstone Track Systems – 108" Ginzugroomer with track setter - \$9,000
- 👉 7' X 12' Trailer - \$3,000
- 👉 Grooming shed modifications/ expansion - \$12,500

TOTAL BUDGET: \$59,500

Current financial position for this initiative:

Cash from savings:	\$3,000
Ski race (2020):	\$3,000
Sale of old equipment:	
ATV with tracks	\$6,500
Tidd Tech Groomer	\$2,000
Scandic Snowmobile	\$3,500
Total	\$18,000

OUR GOAL IS TO RAISE \$41,500 TO MAKE THESE UPGRADES TO OUR GROOMING PROGRAM.

We hope you can help us continue to provide the most consistent grooming in the region by making a generous donation to the **North End Ski Club**.
